Editorial Review

From [AudioFile](#)

This satisfying collection of short stories emphasizes romance and humor as Hugh Fraser transports listeners into genteel British society. Christie makes each story a perfect gem. What makes Agatha Christie such a perennial favorite is her ability to make each character a fully developed individual. When a young man finds an emerald in his pocket after taking the wrong trousers in a beach changing room, Christie makes listeners feel his confusion and fear; at the same time she keeps a deft hand with the light love stories woven in among the murders. Each tale is a tiny self-contained adventure, and, delivered by the talented Fraser, makes for fine entertainment. D.G. © AudioFile 2006, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*

Users Review

From reader reviews:

William Butcher:

Have you spare time for the day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity to get spend your time.
