### The Road to Hell By David Pawson

Hell is the most offensive and least acceptable of all Christian doctrines. We try to ignore it but it won't go away. Better to face the truth, even if it hurts. I am convinced that the recovery of this neglected truth is vital to the health of Christ's body. David Pawson Many preachers are reluctant to explain what the Bible teaches about hell. David Pawson sets out clearly the teaching of the New Testament on this vital topic. The book includes a section of Scripture Studies which are useful for personal and group study and to equip preachers. Most of Christ's teaching on this uncomfortable subject was addressed to his followers, yet it hardly features in sermons today. Challenging the modern alternatives of liberal universalism and evangelical annihilationism, David Pawson presents the traditional concept of endless torment as soundly biblical, illustrating his argument with in-depth Scripture studies on controversial passages. Heaven is also a reality, he affirms, but it is hell which is being overlooked.

### Editorial Review

#### Review

#### **Hell is Real For Christians and Non-Christians!**

It may not be politically correct to believe in Hell any more but David Pawson does and he challenges Christians and Non-Christians with the scriptural evidence. David is to be congratulated that he hasn't given in to pressure to preach an Annihilationism 'gospel'. Many Christians will dislike what this book says, but then the truth is the truth and we need to face it squarely, Bible in hand. --Customer Review Amazon UK

#### **TIME TO THINK**

David Pawson has a way of writing that makes complex subjects seem easy to understand, and this book is a good example of his ability. The reader is challenged, and will recognise that the moment has come when it is time to think about the question of hell, and the path that can be taken to keep away from hell. Well worth reading - it can make a big difference to your life, both now and into eternity. --Mr. Barry Robinson

#### About the Author

David Pawson occupies a key position among British Christian writers. His best known work, *Unlocking the Bible*, continues to be a worldwide bestseller in print, audio and video formats. *Unlocking the Bible* and other works such as *The Normal Christian Birth* have been called Pawson's legacy to the church. Pawson is known for accepting biblical text as the authoritative word of God while explaining its meaning and context in a practical and understandable language. Because he follows the teaching of Scripture where it clashes with church tradition, his books are often controversial. Today David speaks around the world and is received on God TV by millions of viewers in almost every country. As pastor of Guildford Baptist Church (the Millmead Centre), Pawson established a reputation among both evangelicals and charismatics as an effective and balanced expositor of the Bible. Under Pawson's ministry, Millmead became the largest Baptist church in Britain. The church was unusual in that attendance was double the membership number; people regularly came from London to hear Pawson preach. From here his teaching tapes - originally made for the church's sick and elderly members - became popular worldwide. Behind the communist Iron Curtain these tapes struck a chord with the persecuted church. Missionaries and spiritual leaders in far-off corners of the world, without the opportunity to sit under a regular teaching ministry, became a significant audience for Pawson's preaching. In the last forty years literally millions of David's messages on cassette tape (CD, DVD and MP3 today) have been distributed around the world. Pawson left Millmead in 1979 and engaged in an itinerant worldwide Bible teaching ministry, which has been his main work to the present. During this time he has written a number of books. He is a frequent speaker in the UK and throughout Europe; his speaking engagements have taken him to many parts of the world, including Australia, New Zealand, South Africa, The Netherlands, Israel, Southeast Asia and the United States. David Pawson lives near Basingstoke, Hampshire in southern England with his wife Enid. In his 70s he remains busy with speaking engagements in Europe, the US and at the Festival of Tabernacles in Israel, which he was a pioneer in encouraging Christians to attend.

### Users Review

#### **From reader reviews:**

**Wendell Nadeau:**

Book is written, printed, or created for everything. You can understand everything you want by a book. Book has a different type. As we know that book is important point to bring us around the world.
