To avenge his mother's mistreatment at the hands of her upper-crust employer, self-made real estate tycoon Marcus Pearson needs entree into their exclusive world. When D.C. socialite Pamela Harrington comes to him for help, Marcus realizes the golden admission ticket he's been seeking has suddenly fallen into his lap.

Pamela will do anything to save her favorite cause, even agree to a marriage of convenience. The altruistic "it-girl" isn't worried about the pretend passion with Marcus turning real; she's sworn off powerful, driven men who use her for her family's connections.

So she'll deny the way her pulse races with one look from his crystalline blue eyes. And he'll ignore the way his body throbs with each kiss from her full lips. Because there's no way he'll lose his blue-collar heart to the blue-blooded beauty.

Editorial Review

Review

"[It's] that perfect Indulgence, like letting dark chocolate melt on your tongue." - Stuck in Books blog.

"This is a wonderful book, replete with great characters, a plot that twists and turns in all the right places, and an intelligent love story." - Harlequin Junkie

"One of the reasons I loved that story is that the author, like Brenda Jackson, doesn't focus on racism problems. The reader knows immediately the heroes don't have the same skin color, but it's really not the important element of the story. It's a fact which is only mentioned once, understandably, but never talked about again thereafter. It's also the reason I'll follow the author closely." - Les Romantiques
