### **A PERFECT LIFE**

The epitome of intelligence, high-powered energy, and grace, Blaise McCarthy is an icon in the world of television news, asking the tough questions and taking on the emotionally charged issues of world affairs and politics with courage and insight. A single mother, she manages her well-ordered career meticulously, always prepared on the air or interviewing world-renowned figures and heads of state. To her audience, Blaise seems to have it all. But privately, and off the set, there is another untold story she has kept hidden for years.

Blaise's teenage daughter, Salima, was blinded by Type 1 diabetes in childhood, and her needs have kept her away in a year-round boarding school with full-time medical care and assistance ever since. When Salima's school closes after a tragedy, Salima returns to her mother's New York City apartment, and suddenly they face challenges they've never had to deal with before, and that Blaise feels ill-equipped to handle. A new caretaker provided by Salima's school creates as many problems as he solves. Handsome, accomplished, thirty-two-year-old Simon Ward, with strong opinions on every topic, questions how mother and daughter view themselves and each other. Simon opens new doors for both of them and refuses to accept Salima's physical limitations. He turns their world upside down, and the three become friends.

Then everything starts to unravel and Blaise can't keep her two worlds separate anymore. A beautiful young anchorwoman is hired at the network; it is no secret that she is being groomed to take Blaise's place. Her career as she has known it is threatened, and her previously well-ordered life feels totally out of control. For the first time, Blaise's life is not perfect, but real.

In this unforgettable tale, the incomparable Danielle Steel has written a novel that pulsates with emotion and honesty as three people face the truth about

themselves. *A Perfect Life* is about what we do when facades fall away and we can no longer run from the truth. As old ideas fail, everything changes, and life is suddenly brand-new.

## Editorial Review

From [Booklist](#)

New Yorker Blaise McCarthy is a successful television journalist in her midforties, but her professional accomplishments come at the expense of her personal life. Her last relationship was with a married man, and her 19-year-old daughter, Salima, has lived at a boarding school for the blind for most of her life. When Salima's caretaker dies, she moves home. Her new caretaker, a charismatic young man named Simon, isn't what Blaise or Salima expected, but he wins them over, encouraging Salima to become more independent and befriending Blaise. Love blossoms, and they have to decide whether their 15-year age difference and their difference in social status are insurmountable. Blaise's vulnerabilities make her likable—her confidence is shaken by an attractive young woman who may be her replacement, and her love for Simon forces her to examine her past. However, Salima steals the show as she blossoms from a coddled teen to an independent young woman chasing her dreams in the big city. Another sudsy glitz-and-glamour love story from the inimitable Steel; her fans will love it. --Nanette Donohue
