Mae Krell is a teenage girl, aged fourteen when published. She lives in New York City, and recently discovered her love of writing as a result of her eighth grade teacher. She aspires to become a musician in the future, but would like to do as much as she possibly can with her life. Since beginning to write, she has built a name for herself through her Instagram accounts, @eeriebones and @maekrell, which combined have over 25,000 followers. She hopes to one day be able to inspire others to work towards achieving whatever they'd like to, without letting age hold them back.
