### Consumed (The MMA Romance Series - Book #1) By Alycia Taylor

I got a late start signing up for college and now all the dorms were filled. So I looked in the most logical spot for a place to stay, the newspaper. After finding an apartment with a guy that was supposedly an MMA fighter and only walking distance to the college, I sent first month's rent payment.

He seemed nice on the phone but when I showed up and knocked on the door I learned that I broke his number one rule, don't ever interrupt his "business". Will I be able to ignore the most popular guy on campus constantly hitting on me or will I give in and find that he's something more?
