### Giants: The Dwarfs of Auschwitz By Eilat Negev

During the 1930s and 40s the Lilliput Troupe, a beloved and successful family of singers and actors, dazzled with their vaudeville programme and unique performances. The only all-dwarf show of the time, their small stature earned them fame - and, ironically, ultimately saved their lives. As Hitler's war descended, the Ovitz family - seven of whom were dwarfs - was plunged into the horrors of the darkest moments in modern history. Descending from the cattle train into the death camp of Auschwitz, they were separated from other Jewish victims on the orders of one Dr Joseph Mengele, the 'Angel of Death'. Obsessed with eugenics, Dr Mengele carried out a series of loathsome experiments on the family and developed a disturbing fondness for his human lab-rats, so much so that when the Russian army liberated Auschwitz, all members of the family - the youngest, a baby boy just eighteen months old; the oldest, a 58-year-old woman - were still alive. Based on exhaustive research and interviews with Perla Ovitz, the troupe's last-surviving member, and scores of Auschwitz survivors, authors Yehuda Koren and Eilat Negev deftly describe the moving and inspirational story of this remarkable family and their indomitable will to survive.

### Editorial Review

#### Review

"An astonishing story: both wretchedly sad and oddly uplifting - Giants can scarcely fail to stay with you." Mail on Sunday '[An] amazing story sympathetically and eloquently told ... The authors show great respect and affection for the Ovitze ... Theirs was a life worth living and a story very worth telling.' New York Review of Books "Their remarkable story, extensively researched, is so beautifully and sympathetically written that it fully deserves to appeal far beyond its core audience." BBC History Magazine

#### About the Author

YEHUDA KOREN and EILAT NEGEV are respected writers and journalists. Their books include The First Lady of Fleet Street and Lover of Unreason: The Life and Tragic Death of Assia Wevill.

### Users Review

#### From reader reviews:

##### James Williams:

What do you regarding book? It is not important together with you? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? Every person has many questions above. They must answer that question because just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this specific Giants: The Dwarfs of Auschwitz to read.

##### Mark Spears:

Nowadays reading books are more than want or need but also get a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The data you get based on what kind of reserve you read, if you want send more knowledge just go with schooling books but if you want sense happy read one using theme for entertaining for instance comic or novel. The Giants: The Dwarfs of Auschwitz is kind of guide which is giving the reader unpredictable experience.

##### Diana Brunswick:

Reading a guide can be one of a lot of exercise that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new information. When you read a reserve you will get new information because book is one of many ways to share the information or perhaps their idea. Second, looking at a book will make a person more imaginative. When you examining a book especially fictional works book the author will bring one to imagine the story how the figures do it anything. Third, you could share your knowledge to other people. When you read this

Giants: The Dwarfs of Auschwitz, you can tell your family, friends and also soon about yours reserve. Your knowledge can inspire the others, make them reading a book.

**James Hall:**

Your reading 6th sense will not betray anyone, why because this Giants: The Dwarfs of Auschwitz book written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still question Giants: The Dwarfs of Auschwitz as good book but not only by the cover but also by the content. This is one e-book that can break don't evaluate book by its include, so do you still needing another sixth sense to pick this!? Oh come on your examining sixth sense already alerted you so why you have to listening to an additional sixth sense.
