Kierkegaard's Writings, XV, Volume 15: Upbuilding Discourses in Various Spirits: Upbuilding Discourses in Various Spirits By Søren Kierkegaard

In his praise for Part I of *Upbuilding Discourses in Various Spirits*, the eminent Kierkegaard scholar Eduard Geismar said, "I am of the opinion that nothing of what he has written is to such a degree before the face of God. Anyone who really wants to understand Kierkegaard does well to begin with it." These discourses, composed after Kierkegaard had initially intended to end his public writing career, constitute the first work of his "second authorship."

Characterized by Kierkegaard as ethical-ironic, Part One, "Purity of Heart Is to Will One Thing," offers a penetrating discussion of double-mindedness and ethical integrity. Part Two, "What We Learn from the Lilies in the Field and from the Birds of the Air," humorously exposes an inverted qualitative difference between the learner and the teacher. In Part Three, "The Gospel of Sufferings, Christian Discourses," the philosopher explores how joy can come out of suffering.

Editorial Review

Review

"These new translations are excellent."--*Choice*

"The decision by Princeton University Press to publish a first paperback edition of the previously difficult to obtain 1993 hardback, *Upbuilding Discourses in Various Spirits*, provides a timely and especially welcome opportunity to review one of Søren Kierkegaard's (1813-55) most pastorally sensitive and lyrically evocative works."--**Simon D. Podmore**, *European Legacy*

"The definitive edition of the *Writings*. The first volume . . . indicates the scholarly value of the entire series: an introduction setting the work in the context of Kierkegaard's development; a remarkably clear translation; and concluding sections of intelligent notes."--*Library Journal*

Language Notes

Text: English (translation)
