### The Apocalypse: A Brief History By Martha Himmelfarb

This accessible and enlightening history provides insights into the fascinating genre of apocalyptic literature, showing how the apocalypse encompasses far more than popular views of the last judgment and violent end of the world might suggest.

- An accessible and enlightening history of the "apocalypses"--ancient Jewish and Christian works -- providing fresh insights into the fascinating genre of literature
- Shows how the apocalypses were concerned not only with popular views of the last judgment and violent end of the world, but with reward and punishment after death, the heavenly temple, and the revelation of astronomical phenomena and other secrets of nature
- Traces the tradition of apocalyptic writing through the Middle Ages, through to the modern era, when social movements still prophesise the world's imminent demise

### Editorial Review

#### Review

"This is certainly a valuable addition. We look forward to those which are yet to come." (*Theological Book Review*, 2010)

#### Review

"The author is an expert guide who both clears away the brushwood that can obscure our vision and also identifies and outlines the really important milestones. Written in an accessible style and uncluttered by detail, this is an excellent example of a scholar making available to a wide audience the fruits of her considerable academic labours in a field that has significant contemporary relevance."

—**Kenneth Newport, Liverpool Hope University**

#### From the Back Cover

For most people, the term "apocalypse" conjures disturbing images of impending doom. Yet historically, apocalypse encompasses far more than the cataclysmic events prophesied in the Book of Revelation. *The Apocalypse: A Brief History* provides us with a concise historical and thematic introduction to the "apocalypses," the ancient Jewish and Christian works concerned not just with popular views of the last judgment and violent end of the world – but with reward and punishment after death, the heavenly temple, and the revelation of astronomical phenomena and other secrets of nature.

The book traces the tradition of apocalyptic writing through the Middle Ages, when Jews and Christians continued to record apocalypses and developed related forms of literature. It concludes with a look at the modern era, a time when the production of apocalypses may have ended, yet movements with intense expectations of the world's imminent demise continue unabated. Accessible and enlightening, this brief history provides readers with insights into the fascinating historical genre of apocalyptic literature.

### Users Review

#### From reader reviews:

##### **Steve Pratt:**

In this 21st one hundred year, people become competitive in every way. By being competitive now, people have to do something to make these individuals survive, being in the middle of the actual crowded place and notice by simply surrounding.
