THE CROWN JEWELS: A Billionaire Bad Boy Step-Brother Romance By Honey Palomino

THIS ISN'T YOUR GRANDMOTHER'S FAIRY TALE...

JEWELS

Fairy tales aren't real...

The first time a Prince swept me off my feet and into his bed, I fell head over heels. He was everything I shouldn't want. A bad boy. A player. I opened my heart. And that **Royal prick** left me broken.

I promised myself it wouldn't happen again. But temptation has a way of breaking promises.

WILL

She's the one that got away. The nerdy girl with the hot little body that always drove me crazy.

My little soon-to-be step-princess...

The one girl I could never have again...

Until tonight.

And that's when ***everything*** went wrong.

THE CROWN JEWELS is a sexy full length standalone novel with a HEA and absolutely NO CLIFFHANGER!

NOTE: This limited edition EBOOK version includes a free gift! The first two books of Honey Palomino's Hope Brother Series are included - Hope Against Hope and Abandon All Hope!
