The Nature of Order: An Essay on the Art of Building and the Nature of the Universe, Book 4 - The Luminous Ground (Center for Environmental Structure, Vol. 12) By Christopher Alexander

Book Four presents a new cosmology that arises from the careful study of architecture and art, and above all from the practice of the arts. It is a cosmology which places the I, our experience of self, as the linking stem that unites each individual with the whole, connecting consciousness and matter.
