### 10-Minute Watercolours (Collins Gem) By Hazel Soan

This handy, practical and inspirational little book is perfect for the pocket or art bag. It shows watercolour painters of all levels how to loosen up their paintings and maintain spontaneity by painting simple watercolour studies in no more than 10 minutes.

Written by popular artist Hazel Soan, the book is arranged in three parts: the first section explains all about the equipment you will need; the second section covers techniques and shows what can be achieved with watercolour in a short time span; the third section looks at various subjects that are ideal for painting quickly.

All the essential techniques are covered, focusing particularly on maximizing brushstrokes and exploring colours, and there is useful advice on deciding what to include and what to leave out. With helpful chapters on painting a wide range of subjects – people, landscapes, seascapes, buildings, gardens, flowers and still life – this little guide is ideal for quick reference when working in the studio or out in the field.
