### Advanced Word Power [Paperback] [2011] 2nd Ed. Beth Johnson and Janet Goldstein By Beth Johnson and Janet Goldstein

An Intensive Words-in-Context Approach. Studies show that students learn words best by seeing them repeatedly in different contexts, not through rote memorization. The books present each word in at least seven different contexts. Every encounter increases the chance that a word will become part of a student's permanent word bank. Abundant Practice. In addition to the extensive practice in each chapter, there are unit tests and a crossword puzzle review. Moreover, most chapters repeat words from earlier chapters, allowing for even more reinforcement. And there are added tests in the Test Bank and the Online Learning Center. that come with each book. All this practice means that students learn in the best possible way: by working closely and repeatedly with each word. Common Core Aligned: TP's Vocabulary Series is a comprehensive, research-based approach to vocabulary instruction aligned with the Common Core Standards for Vocabulary in Grades 6-12. Each book in the series presents vocabulary words in multiple contexts, giving student ample practice in determining "the meaning of words and phrases as they are used in a text." In addition, the words-in-context approach requires students to actively figure out definitions through analysis using explicit or inferred meaning—a benchmark of the Common Core.\* Looking for a Common Core aligned program to improve students' vocabulary for success in school and beyond? With TP's Vocabulary Series, you've got it.
