### Amy's Strict Doctor By Natasha Knight

Twenty-four-year-old Amy is the quintessential poor little rich girl. Her parents taught her that beauty alone would get her everywhere, and when her husband, Dr. Cade Hollister, convinces her to take the last class she needs to finish her degree, she has no idea what is in store for her. Amy has never challenged herself in the past, and when she fakes an illness to avoid the hard work required to pass the course, Cade decides it is time to teach her a much-needed lesson.

Before she knows it, her husband is taking her temperature the old-fashioned way, and that is just the start. Amy soon learns that her strict doctor will do whatever is necessary to keep his wife in line, and he is more than ready to give her the discipline she requires, even if it leaves her cheeks blushing as red as her well-spanked bottom. But can she overcome her embarrassment and come to terms with the fact that she loves submitting to Cade, loves the way his punishments make her feel, and loves the way her body craves his dominance more and more every day?

Publisher's Note: Amy's Strict Doctor is an erotic novel that includes spankings, sexual scenes, medical play, anal play, elements of BDSM, and more. If such material offends you, please don't buy this book. This book is also available as part of a five-book collection entitled What the Doctor Ordered.
