After surviving hell not once, but twice, Jade Moore is once again living, but her nights are filled with torture as she relives her time with the Condemned Warriors again and again. The only person capable of chasing away those demons is Viper, the man she has fallen deeply in love with. He is not just her hero, he is her destiny. Viper's troubled past makes him the cold, heartless killer that everyone fears. Then he met Jade, falling helplessly in love with her. As he helps Jade overcome her demons, he reveals his own, not knowing if he will lose her forever. But it isn't his past he should be worried about, it's his future.

Shadow returns to Rockingham to be with the girl he has loved since they were kids, only to find she is in love with another man. He is determined to win the heart of the only girl he has ever loved, no matter the consequences. When secrets are revealed and tragedy strikes, will he put aside his desires and be the friend Jade needs? Lives will be lost and heartache will be inevitable.
