### **Editorial Review**

#### **About the Author**

Julie Brega's interest in eventing led her to work with competition horses and, having gained her BHSII, she set up her own equestrian business and trained many students for BHS examinations. Seeing the need for a structured system of study, she began to run correspondence courses and from this developed The Open College of Equine Studies, which now provides distance tuition of the highest quality to students worldwide from its base in Suffolk.

### **Users Review**

#### **From reader reviews:**

##### **Georgia Hernandez:**

You are consequently out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

**Sabrina Crockett:**

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Equine Business Management (Essential Equine Studies) can make you feel more interested to read.
