**INTERCESSION for CITIES** By Mae Hennesay, May Beswick RN

When my sister, Carla Eggman-Garrett, had told me about an Amazing woman named Mae who blows her Shofar and prays to the land, somehow, I knew I had to meet her. I live in Seattle and she, in Porterville, California. I quickly booked a flight for the first available opening in my schedule which was 2 months away. I would be there for just 4 days, but what a Glorious 4 days it was. Mae Hennesay changed my life forever and I have been Praising The Lord ever since. I had not been doing this before meeting her and I had never offered to write a book for another person before either, but here I am writing one for her. Praise The Lord! My hands are writing sacred Words of God! Mae has bravely dedicated herself as a vessel for The Lord's work. Sometimes that may not be easy, nor popular, but she does it and gives of herself freely, inspirationally guided by the Holy Spirit. I am healing as I write this book, body, mind, soul. Now, you too, can receive the Healing Power through her words as transcribed by the Holy Spirit.

## **Editorial Review**

### **About the Author**

May Beswick spent 16 years in college studying and receiving degrees in Electrical Engineering, Environmental Science, and Nursing. Confused and frustrated by the contradictions she was finding in every subject she studied, she finally realized she had been looking for truth in all the wrong places. With a passion to heal from her often violent upbringing, sorely lacking in love, May turned her life over to our Lord and Savior, Jesus Christ. May attended the Church of Jesus Christ of Latter-Day-Saints 12-step Program to overcome her addictions to Pride and unhealthy foods. May now writes books for healing through the Holy Spirit's revelation of Love, Forgiveness, and The Atonement of Jesus Christ. Feel free to contact May Beswick if you should like her to help you write a Christ-based book or speak in your community, at: [DarlaChronicles.com](http://DarlaChronicles.com)
