### The Escape By John Galsworthy

David Baldacci is one of the world's most popular, widely read storytellers. In his blockbuster thrillers *Zero Day* and *The Forgotten*, he enthralled readers with John Puller. A combat veteran and special agent with the U.S. Army, Puller is the man they call to investigate the toughest crimes facing the nation. But all his training, all his experience, all his skills will not prepare him for his newest case, one that will force him to hunt down the most formidable and brilliant prey he has ever tracked: his own brother.

#### THE ESCAPE

It's a prison unlike any other. Military discipline rules. Its security systems are unmatched. None of its prisoners dream of escaping. They know it's impossible . . . until now.

John Puller's older brother, Robert, was convicted of treason and national security crimes. His inexplicable escape from prison makes him the most wanted criminal in the country. Some in the government believe that John Puller represents their best chance at capturing Robert alive, and so Puller must bring in his brother to face justice.

But Puller quickly discovers that his brother is pursued by others who don't want him to survive. Puller is in turn pushed into an uneasy, fraught partnership with another agent, who may have an agenda of her own.

They dig more deeply into the case together, and Puller finds that not only are her allegiances unclear, but there are troubling details about his brother's conviction . . . and someone out there doesn't want the truth to ever come to light. As the nationwide manhunt for Robert grows more urgent, Puller's masterful skills as an investigator and strengths as a fighter may not be enough to save his brother—or himself.

### Editorial Review

#### Review

"Baldacci has crafted another terrific tale with two great protagonists. Just when the story line seems to veer into familiar areas, Baldacci steers it into another shocking direction. This is the best book yet in the series."**Associated Press on King and Maxwell**

"David Baldacci's latest thriller is not only highly relevant, it is also well timed. And the details seem so real that it's hard not to wonder if the author is an insider; the tone is that authentic. An absolute page-turner, King and Maxwell is Baldacci at the pinnacle of his game."**BookReporter.com**

"Another fast paced page turner that will keep you glued to the couch...by an author who continues to standout in the increasingly crowded thriller field."**Examiner.com on The Forgotten**

"Baldacci is a master when it comes to writing about small-town conspiracies and a lone hero who fights against all odds to clean up corruption. The narrative moves slowly, so the reader has a chance to solve the case along with Puller. It might seem straightforward, but the final reveal will surprise even hardcore thriller junkies."**The Washington Post on The Forgotten**

"Readers expect excitement and intrigue in David Baldacci's books, and *Zero Day* is no exception...As Baldacci's new hero narrowly escapes countless close calls, the pairing of the author's imagination and knowledge create a wild ride for the reader. Puller is gutsy, brash and likable. Best of all, he survives to reappear in the next book of this new series."**The Free-Lance Star on Zero Day**

"*Zero Day* is a nifty, paranoid thriller disguised as a murder mystery, and Baldacci advances it at a speedy clip with a nice mix of intrigue, tantalizing clues and the occasional explosion...Baldacci's books are fast-paced battles between good and evil."**Richmond Times Dispatch on Zero Day**

#### About the Author

David Baldacci is a global #1 bestselling author, and one of the world's favorite storytellers. His books are published in over 45 languages and in more than 80 countries, with over 130 million worldwide sales. His works have been adapted for both feature film and television.
