The Primal Runes: Archetypes of Invocation and Empowerment By Roger Calverley

Thousands of years before the Aryan invasion of Europe, the people of Old Europe created sacred signs, the Primal Runes, and gave birth to our most ancient ancestral tradition of divination and magic. Based on the phases of the Moon, these archetypal rune-forms each have a sacred sound; they form a complete system of invocation and empowerment. Ordered according to the 28 stages of the waxing and waning Moon and the five sacred elements, these ancient runes give direct access to the secret power and the timeless greatness of the Goddess herself.
