### The Unwritten Rule By Elizabeth Scott

Sarah and Brianna have always been friends, and it's always gone like this: guys talk to Sarah in order to get closer to Brianna. So even though Sarah met Ryan first, she's not surprised that he ends up with Brianna (even though Sarah has a massive crush on him). The three of them hang out, and Sarah and Ryan's friendship grows until one night an innocent exchange between them leads to a moment that makes Sarah realize that Ryan might be interested in her after all. But if there's one unwritten rule, it's this: you don't mess around with a friend's boyfriend. So Sarah tries to resist temptation. But with the three of them thrown together more and more, tension builds between Sarah and Ryan, and when they find themselves alone together at one point, they realize they just can't fight how they feel anymore....

### Editorial Review

#### From School Library Journal

Grade 9 Up—The unwritten rule is plain: "You don't like your best friend's boyfriend." But Sarah does. She likes Ryan a lot, and she has for a very long time. They share a moment at a party, but the next thing she knows, he belongs to Brianna. Then one night, something happens that Sarah can't take back and doesn't want to. She feels guilty, she doesn't want to hurt her friend, but she can't stop thinking about Ryan, either. Character development drives this novel. There isn't much plot, and the opening chapters are a little hard to follow, but the characters are fully realized and their motivation is clear. However, the tone of the writing is more suited to an adult novella than to YA fiction. A slow read that is all too easy to put down and forget about.—*Julianne M. Helt, Carnegie Library of Pittsburgh, PA*

#### From Booklist

Scott's fresh and thoughtful treatment of a familiar theme belies the somewhat sappy cover (two barefoot, blue-jeaned teens playing footsie). Gorgeous Brianna and less-stunning Sarah have been best friends since kindergarten, but now Sarah's got a wicked crush on Brianna's new boyfriend, Ryan—and it's reciprocal. As in *Love You Hate You Miss You* (2009), what drives this quick read is the complex interaction of the two girls. Sarah and Ryan's relationship, with the visceral thrill of physical attraction, is beautifully captured, but it's the delicate balance between insecure Brianna's need to put Sarah down and Sarah's loyalty to her needy and lonely friend that will stay with the reader. The painfully abrupt ending fits the characters and story, and will leave readers wanting more. Scott's realistic dialogue and empathetic view of symbiotic relationships will have teens thinking she has been eavesdropping on their conversations. Romance readers will pick up this novel and discover fine, accessible writing many notches above the standard love story. Grades 9-12. -- Debbie Carton

#### Review

Scott (the reigning mistress of smart yet classically heart-wrenching romance) expands...a vivid study of character and growth that's deliciously festooned with yearning and possibilities...readers looking for tender stolen moments and the flowering of forbidden love will want to curl up with this one. -- The Bulletin of the Center for Children's Books, May 2010

#### From reader reviews:

##### Shawn Marsh:

The book The Unwritten Rule can give more knowledge and also the precise product information about everything you want. So why must we leave a good thing like a book The Unwritten Rule? A few of you have a different opinion about guide. But one aim that will book can give many data for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or facts that you take for that, you could give for each other; you may share all of these. Book The Unwritten Rule has simple shape however you know: it has great and massive function for you. You can search the enormous world by open and read a reserve. So it is very wonderful.

**Jose Gower:**

Spent a free time and energy to be fun activity to try and do! A lot of people spent their free time with their family, or their very own friends. Usually they carrying out activity like watching television, going to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? May be reading a book may be option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of e-book that you should read. If you want to test look for book, may be the publication untitled The Unwritten Rule can be good book to read. May be it is usually best activity to you.

**Ann Fortune:**

Precisely why? Because this The Unwritten Rule is an unordinary book that the inside of the publication waiting for you to snap that but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book get such as help improving your talent and your critical thinking way. So , still want to hold up having that book? If I ended up you I will go to the e-book store hurriedly.

**Olga Andres:**

E-book is one of source of information. We can add our know-how from it. Not only for students but additionally native or citizen have to have book to know the up-date information of year for you to year. As we know those textbooks have many advantages. Beside most of us add our knowledge, also can bring us to around the world. By the book The Unwritten Rule we can get more advantage. Don't that you be creative people? For being creative person must like to read a book. Only choose the best book that suitable with your aim. Don't always be doubt to change your life at this time book The Unwritten Rule.
