## Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment By Ziyad M. Hijazi MD

In a single volume, *Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment* supplies pediatric cardiologists, interventional cardiologists, and cardiology fellows with expertise about all aspects of treating ASDs and PFOs. Along with thorough discussions of fundamental topics such as anatomy, natural history, and indications, it offers abundant information about imaging techniques, surgical and nonsurgical procedures, devices, and trials. Every device currently available, both approved and nonapproved, is covered in detail along with technical analyses of how to close defects. In addition, this timely book addresses the association between PFOs and strokes and migraines, and examines the status of all trials relevant to transcatheter closure of ASDs and PFOs.

### Part 1: Anatomy, Pathophysiology, and Natural History

1. Anatomy of the Atrial Septum; Paul Weinberg, Akash Patel
2. Natural and Unnatural History of a Secundum ASD; Thomas Graham, Tom Doyle
3. Atrial Septal Defects: Clinical Perspectives; Wail Alkashkari, Ziyad Hijazi
4. Historical Perspectives on ASD Device Closure; Terry King, Noel Mills
5. PFO Closure for Prevention of Recurrent Stroke and TIA; Ted Feldman
6. PFO and Migraines; Jonathan Tobis

### Part 2: Imaging and Assessment

7. Imaging to Guide ASD and PFO Closure--TTE and TEE; Sinai Zyblewski, Girish Shirali
8. Imaging to Guide ASD and PFO Closure: Intracardiac Echocardiography (ICE); Mustafa Al-Qbandi, Qi-Ling Cao, Ziyad Hijazi
9. Ct Evaluation of the Interatrial Septum in ASDs; Robert Quaife, John Carroll
10. Cardiac Magnetic Resonance Assessment of ASDs and PFOs: Relation to Pre Device Closure and Post; Mark Fogel

### Part 3: Procedure Techniques

11. Establishing a Program in Structural Heart Disease Interventional Therapies; Ted Feldman, Ziyad Hijazi
12. How to Close Simple Atrial Septal Defects; Matthew Egan, Ralf Holzer
13. Device Closure of Difficult ASDs; Mustafa Al-Qbandi, Ziyad Hijazi

14. Device Closure of ASDs in Small Children; Mustafa Al-Qbandi, Ziyad Hijazi
15. Device Closure of ASDs and PFOs in the Elderly: Hemodynamic Assessment; Mehmet Cilingiroglu, Ted Feldman
16. Closure of ASDs with Pulmonary Hypertension: Assessing Operability; Sara M. Trucco, William Hellenbrand
17. Device Closure of ASDs in Patients with R-L Shunt; Anas Salkini, John Moore
18. Device Closure of Fenestrations Post Fontan Operation; Mustafa Al-Qbandi, Ziyad Hijazi
19. Unusual Vascular Access to Close ASDs and PFOs; Larry Latson
20. Transcatheter ASD Closure without Fluoroscopy; Peter Ewert, Felix Berger
21. New Minimally Invasive Techniques for Surgical Closure of ASDs and PFOs; Nikolay Vasilyev, Pedro del Nido
22. Complications of Device Closure of ASDs and PFOs; Zahid Amin
23. Nightmare Cases in the Cardiac Catheterization Laboratory during Percutaneous Closure of ASD; Mustafa Al-Qbandi, Tarek Momenah, Ziyad Hijazi
24. My Worst Nightmare Cases of PFO Closure; Tina Lehr, Sonya Joy, Kristina Renkhoff, Nina Wunderlich, Horst Sievert

#### Part 4: Devices

25. Engineering Aspects of Metallic and Bioabsorbable Devices; Carol Devellian, Stephanie Kladakis, Steven Opolski
26. The Amplatzer Devices for ASDs and PFOs; Trong-Phi Le, Horst Sievert
27. The Gore Helex Septal Occluder; Ted Feldman
28. The Occlutech Flex Devices for ASD and PFO; Horst Sievert, Nicolas Majunke
29. Transcatheter Patch Device; Basilios Sideris, John Coulson, Eleftherios Sideris
30. The CardioSEAL/STARFlex Family of Devices for Closure of Atrial Level Defects; Paul Kramer
31. Bioabsorbable Devices: The BioSTAR and BioTREK for ASD and PFO; Ryan Ko, Michael Mullen
32. Cardia Devices; Daniel Turner, Thomas Forbes
33. The Solysafe Septal Occluder for the Closure of ASDs and PFOs; Peter Ewert

### **Editorial Review**

#### **Review**

*Transseptal Catheterization and Interventions* was listed by the American Journal of Cardiology as one of the Good Books in Cardiovascular Disease in 2010. --American Journal of Cardiology Vol. 107, Issue 8, Pages 1250-1251

#### **About the Author**

**Ziyad M. Hijazi MD, MPH, FSCAI, FACC, FAAP**, Director, Rush Center for Congenital & Structural Heart Disease, Pediatric Cardiology Section Chief and Professor of Pediatrics and Internal Medicine, Rush University Medical Center, Chicago

**Ted Feldman MD FSCAI, FACC, FESC**, Director of the Cardiac Catheterization Laboratory, NorthShore University HealthSystem Evanston Hospital Evanston

**Mustafa H. Abdullah Al-Qbandi MD, DCH, FAAP, FRCPC, FAAC, FSCAI**, Consultant Pediatrician and Pediatric Cardiologist and Head of Pediatric Cardiology Unit, Chest Diseases Hospital--Kuwait Cardiac Centre

**Horst Sievert MD**, CardioVascular Center Frankfurt, Sankt Katharinen Hospital, Frankfurt

### **Users Review**

#### **From reader reviews:**

##### **Tammy Crider:**

Do you certainly one of people who can't read pleasant if the sentence chained inside straightway, hold on guys this kind of aren't like that. This Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment book is readable by you who hate the straight word style. You will find the details here are arrange for enjoyable examining experience without leaving actually decrease the knowledge that want to supply to you. The writer associated with Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment content conveys objective easily to understand by a lot of people. The printed and e-book are not different in the articles but it just different such as it. So , do you still thinking Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment is not loveable to be your top collection reading book?

##### **Shirley Martins:**

Reading a reserve can be one of a lot of task that everyone in the world adores. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new info. When you read a publication you will get new information simply because book is one of a number of ways to share the information or their idea. Second, examining a book will make you actually more imaginative. When you studying a book especially fictional works book the author will bring that you imagine the story how the personas do it anything. Third, you could share your knowledge to some others. When you read this Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment, it is possible

to tells your family, friends in addition to soon about yours book. Your knowledge can inspire the mediocre, make them reading a guide.

**John Singletary:**

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, and then why you don't try factor that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment, you can enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang-out type is it? Oh occur its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.

**Robert Banks:**

As we know that book is essential thing to add our understanding for everything. By a publication we can know everything we want. A book is a set of written, printed, illustrated or blank sheet. Every year has been exactly added. This reserve Transcatheter Closure of ASDs and PFOs: A Comprehensive Assessment was filled regarding science. Spend your time to add your knowledge about your science competence. Some people has various feel when they reading the book. If you know how big advantage of a book, you can sense enjoy to read a reserve. In the modern era like currently, many ways to get book that you just wanted.
