Bill Hylton's Ultimate Guide to the Router Table (Popular Woodworking)

By Bill Hylton

The first operator's manual for the router table

If you don't have a router table in your shop yet, you should! The router table opens up a whole new world of using the router that simply can't be done using it any other way. Operations such as edge profiling, making mouldings, cutting lock-miter joints, box joints, rabbets, grooves, splined miters, using templates, pin routing and more can be done using a router table. Using this book, you'll learn basic router-table knowledge, safety issues, setup fundamentals, feed direction and workpiece control. Also, you'll learn about specific operations unique to the router table and how to do them safely.
