### Flyboy 2: The Greg Tate Reader By Greg Tate

Since launching his career at the *Village Voice* in the early 1980s Greg Tate has been one of the premiere critical voices on contemporary Black music, art, literature, film, and politics. *Flyboy 2* provides a panoramic view of the past thirty years of Tate's influential work. Whether interviewing Miles Davis or Ice Cube, reviewing an Azealia Banks mixtape or Suzan-Lori Parks's *Topdog/Underdog*, discussing visual artist Kara Walker or writer Clarence Major, or analyzing the ties between Afro-futurism, Black feminism, and social movements, Tate's resounding critical insights illustrate how race, gender, and class become manifest in American popular culture. Above all, Tate demonstrates through his signature mix of vernacular poetics and cultural theory and criticism why visionary Black artists, intellectuals, aesthetics, philosophies, and politics matter to twenty-first-century America.

## Editorial Review

### Review

"Gathered here we have a body of work a generation in the making that will certainly shape our thinking, listening, and seeing for generations to come. Greg Tate is the standard-bearer; his critical sensibilities are matched only by his ability to render them in stunning prose. The power and charisma of his intellect emanate from the page. In the tradition of Ellison and Baraka, but unlike them, shaped by the best of Black feminism, Tate forges his own brilliant path."

(Farah Jasmine Griffin)

"The premier hip-hop writer of his generation, a stunning prose stylist, and the inventor of a whole new approach to music and cultural criticism, Greg Tate has been to hip-hop what Albert Murray is to jazz: the standard-setter for a generation of intellectuals who care deeply about race, art, and the future."

(Ann Powers)

"Tate has been an important if underread critic for the past several decades, and this collection will allow more readers to discover him. Not a fast or simple read, but a worthwhile one for fans of music and culture."

(Craig L. Shufelt *Library Journal* 2016-07-01)

"*Flyboy 2* will be like no other collection of writing you will read this year, and probably this decade. Refer back to the original *Flyboy* book to whet your palate, and to note and compare the evolution of Tate's voice and his perception of the world and music around him. Take comfort in knowing that there is a Black writer who has no choice but to be real, poised and dignified, denying all pressures to bastardize the class and power of Black arts criticism and literary excellence."

(Jordannah Elizabeth *Amsterdam News* 2016-08-11)

"Whether you are new to his work or a longtime reader, the universe of Black magic lovingly curated in *Flyboy 2* will do your soul good."

(Steven W. Thrasher *The Guardian* 2016-08-20)

"*Flyboy 2* is an immersive, fluid, and genre-bending collection of commentary, essays, and exposition of the self, a beautiful text solidly grounded in the critical theories of late twentieth- and early twenty-first-century academia."

(Patty Comeau *ForeWord Reviews* 2016-08-26)

"What *Flyboy 1* and *2* show is that Tate has come a long way in the study of this, the feared black planet and, in so doing, came out a more skilful, more humble man. What his style won't let me forget is this: we are simultaneously in command of this world, and others."

(Kwanele Sosibo *Mail & Guardian* 2016-09-07)

"What made Tate's criticism special was his ability to theorize outward from his encounters with genius and his brushes with banality—to telescope between moments of artistic inspiration and the giant structures within which those moments were produced. . . . Tate has a keen sense for the way that both artists and communities discern where they fit in the world, and what is expected of them, and then either go along for the ride or carefully plot their escapes."

(Hua Hsu *The New Yorker* 2016-09-21)

"[T]hought-provoking. . . . There's lots to unpack in Tate's writing, challenging us to come along for the ride-if we're up to it."

(David HersHKovits *Paper Magazine* 2016-11-04)

"A *Rolling Stone* contributor, Greg Tate's ferocious, slang-tinged salvos and deep-rooted historical analysis have inspired readers and intimidated colleagues for decades. This sequel to the 1992 collection *Flyboy in the Buttermilk* felt particularly acute in the context of 2016's nonstop stream of racial horror, whether Tate is delineating visual artist Kara Walker's unflinching slavery-era silhouettes or eulogizing Richard Pryor and Michael Jackson. . . ."

(Michaelangelo Matos *Rolling Stone* 2016-12-21)

"Greg Tate has been responsible for some of the most erudite and energetic cultural criticism of the past thirty years. . . . The book stands as a testimony to the richness and variety of contemporary Black artistic production, and to Tate's restless curiosity and learning."

(Michael Lapointe *TLS* 2017-03-03)

#### About the Author

Greg Tate is a music and popular culture critic and journalist whose work has appeared in many publications, including the *Village Voice*, *Vibe*, *Spin*, the *Wire*, and *Downbeat*. He is the author of *Flyboy in the Buttermilk: Essays on Contemporary America* and *Midnight Lightning: Jimi Hendrix and the Black Experience* and the editor of *Everything but the Burden: What White People Are Taking from Black Culture*. Tate, via guitar and baton, also leads the conducted improvisation ensemble Burnt Sugar the Arkestra Chamber, who tour internationally.

## Users Review

### From reader reviews:

#### Thomas Britton:
