### Ordinary Job, Ordinary Life

“Quit your job? But I thought having a job was a good thing!”

Jobs feel safe. We show up, do what we’re supposed to do, and a check for the same amount comes in every couple of weeks. We can feel safe, secure, and comfortable with that. We can budget for housing, transportation, and food. We might even get a few weeks of vacation each year and have enough left over to go somewhere nice. So what’s the problem?

### Average Isn’t Satisfying, and Repetition is Drudgery

The problem is that average just isn’t satisfying. We can be thankful that we’re not homeless or completely impoverished all we want, but that still doesn’t scratch the itch we all have to live an extraordinary life—to spend more time doing what we love, less time doing what we don’t love, and have more financial wealth to support our adventures.

On top of that, most jobs involve doing the same things over and over again. You don’t learn. One day blends into the next. You don’t grow. Your life lacks richness, diversity, and excitement. All put together this doesn’t make for a very inspiring way to live the one life you get.

### **Editorial Review**

#### **About the Author**

*“Giving you the Buck-naked truth about online entrepreneurship.”*

Hi I’m Buck Flogging. Hell yeah that’s my real name and that’s totally me in the picture living large and driving the ladies wild. It’s definitely not just some picture from Shutterstock.

When I’m not busy squatting 800 pounds for reps and pleasing all those ladies, I’m writing lots of books, narrating audiobooks, helping authors publish and successfully sell their work, and operating some lucrative online businesses of mine.

I originally started as a know-nothing wannabe writer that was encouraged to start this mysterious thing called a “blog.” From moronic mistakes and prolonged poverty I emerged seven years later with the success that all online entrepreneurs dream of achieving.

I hope to find time to write several short books revealing as much of what I’ve learned as possible. I love seeing other people succeed, and I hate to see others make the same mistakes I did. To learn more, go to [www.quitn6.com](http://www.quitn6.com)
