To the Grave (Jefferson Tayte Genealogical Mystery Book 2) By Steve Robinson

A curiously dated child's suitcase arrives, unannounced and unexplained, in a modern-day Washington suburb. A week later, American genealogist Jefferson Tayte is sitting in an English hotel room, staring at the wrong end of a loaded gun.

In his latest journey into the past, Tayte lands in wartime Leicestershire, England. The genealogist had hoped simply to reunite his client with the birth mother she had never met, having no idea she had been adopted. Instead, he uncovers the tale of a young girl and an American serviceman from the US 82nd Airborne, and a stolen wartime love affair that went tragically wrong.

With *To the Grave*, Steve Robinson confirms his status as a master of the taut and delicately constructed historical thriller.

This is the second book in the Jefferson Tayte Genealogical Mystery series but can be enjoyed as a stand-alone story.

Editorial Review

Review

'Steve Robinson's books just keep getting better. What I found exceptionally well done was Mena's story. Robinson made that era come to life.' —Cathy Cole, *Kittling Books*

'For me, this was more than a crime mystery novel; it was a piece of fiction every bit as good as Ian McEwan's *Atonement*.' —George Hamilton, author

'Family historians who enjoy crime thrillers will find this yet another gripping read, bringing an exciting edge to the research skills we are familiar with. A gripping return for genealogist/detective Jefferson Tayte.' —*Your Family Tree* magazine

About the Author

Steve Robinson drew upon his own family history for inspiration when he imagined the life and quest of his genealogist-hero, Jefferson Tayte. The talented London-based crime writer, who was first published at age 16, always wondered about his own maternal grandfather – 'He was an American GI billeted in England during the Second World War,' Robinson says. 'A few years after the war ended he went back to America, leaving a young family behind and, to my knowledge, no further contact was made. I traced him to Los Angeles through his 1943 enlistment record and discovered that he was born in Arkansas...'

Robinson cites crime writing and genealogy as ardent hobbies – a passion that is readily apparent in his work.
