Voyages in World History, Volume 1 to 1600 By Valerie Hansen, Ken Curtis

The authors of VOYAGES IN WORLD HISTORY never forget that history is made up of the stories of people. Each chapter of the text centers on a story--a traveler's account that highlights the book's main theme, the constant movement of people, goods, and ideas. The travelers include merchants, poets, rulers, explorers, soldiers, missionaries, and scholars, and their voyages provide a framework for each chapter that will draw you into the stories of world history. For the second edition of this text, the authors added broad global connections to every chapter, which will help you understand events in a larger context.

VOYAGES IN WORLD HISTORY helps you make sense of the range of people, places, and events crucial to comprehension of world history. Available in the following split options: VOYAGES IN WORLD HISTORY, Second Edition Complete, Volume 1: To 1600, and Volume 2: Since 1500.

Editorial Review

Review

"This is one of the latest entries into the field of World History texts and it is one of the best. It takes a lot of the solid features of some of the better texts out there and adds some very cool and unique features like fine maps, an excellent pronunciation guide and a cool traveler's component."

"The premise of the book drew me in immediately--and I am a very hard sell on a world civ book! . . . I think that the theme established creates a sense of cohesion. . . . I love the approach. My department has recently taken a more global history approach to world civ and this book seems well suited to this approach. . . . I can see this book engaging many students."

About the Author

Valerie Hansen received her Ph.D. from the University of Pennsylvania in 1987. She is Professor of History at Yale University, where she teaches courses in East Asian history, especially pre-modern China.
