## **Editorial Review**

### **Review**

From Heartbreak to Love Notes is a beautiful introspection of melodic tongue twisters from the core of a man writing his wrongs. Every piece makes you want to re-read each sentence just so you can taste the words again, because each time it hits the senses with a new awareness. This book is a poetic diary of the tribulations of love and relationships with no stone unturned. It fills you up, it breaks you down, it makes you ponder the questions we all encounter when learning to love - and Mr. Wesley doesn't fail to give us the answers we need to hear. Amalia Graterri, Author of Love Evolves. --Amalia Graterri, Author of Love Evolves

Brilliantly written. Creativity at its finest. This is not a typical poetry book compiled of documentation of emotions but an inside look into a man's journey in a way that lessons can be pulled from it while enjoying the quality of the writing. J. Wesley's talent is worthy of praise and this piece of literature is a worthy of your attention.
